

## What is Auto Pay?

Auto Pay is an automated bill payment program that allows your water bill payment to be automatically deducted from your designated account

## How does Auto Pay work?

Once you register for the program and provide a voided check or deposit slip, your charges billed from West View Water Authority will be paid automatically from your bank account. If you want to cancel this service or change account information, you must notify West View Water Authority in writing prior to your due date.

## How can you track your bills?

Even though your financial institution manages your payment, you will still receive a West View Water Authority bill at least 10 days before the due date. Payment will be directly deducted from your account on the due date designated on your invoice.

## What are the advantages of Auto Pay?

You will have no more worries about due dates or incurring late charges. Your bills will automatically be paid on the due date. There is no charge per transaction; it's a free service provided to all West View Water Authority customers.

## How do you sign up for Auto Pay?

- Fill out the request form and return it to West View Water Authority.
- Please provide a voided check or a savings deposit slip for our records.
- Return information to :
